Oct 5	<input type="checkbox"/>								

No electricity is available at market. Do you need electricity? If so, how do you plan to provide it?

Booth spaces will accommodate ONE 10x10 canopy, and ONE standard passenger vehicle. If you need additional space for display or larger vehicle indicate that here. Spaces will be assigned this year. If you or your product need any concessions please make request your here. Requests will be granted according to space restrictions and on a first come first serve basis.

Please list in detail the items that you plan to sell. ANY items not grown/made by you must be listed here with the name and address of the producer. The market will notify you if your re-sale items are approved for sale. ONLY locally-produced food items that you purchase directly from the producer will be considered for re-sale. No re-sale craft items will be allowed. Items can be added throughout the market season but must be approved by the board before being sold. Anything not on this application will not be allowed to be sold at the market. No multi-level marketing businesses please.

All approved vendors must check in with the market manager at the beginning of each market. Vendors should be set up and ready for the market 15 minutes before opening and should not start taking down until 6:00pm.
